"Final Flight"

Don't grieve for me, now that I'm free
I'm following the path God has laid, you see
I took His hand when I heard His call
I turned my back and left it all
I couldn't stay another day
To laugh, to love, to work, to play
Tasks left undone must stay that way
I found the place at the close of the day
If my parting has left a void
Then fill it with remembered joy
A friendship shared, a laugh, a kiss
Oh, yes, these things I too will miss
Be not burdened with times of sorrow
I wish you the sunrise of tomorrow
My life's been full; I savored much
Good friends, good times and a loved one's touch
Perhaps my time seemed all too brief
Don't lengthen your pain with undue grief
Lift up your heart, and peace to thee
God wanted me now; He set me free

The Light of Peace

Many waters I have sailed throughout the voyage of life.
Over waters tranquil free of pain and strife.
Sometimes tossed in raging storms, though never left alone,
There was a light that beckoned me toward the shores of home.
Always in the distance this beacon I could see.
Giving me direction, as I sailed upon life's sea,
My journey is completed now the tide is drifting in.
My vessel moves on gentle waves...Eternity Begins
