## Obituary

### God's Garden

God looked around His garden  
And He found an empty place.  
He then looked down upon this Earth,  
and saw your tired face.  
He put His arms around you and  
Lifted you to rest.  
God's garden must be beautiful  
He always takes the best.

He knew that you were suffering,  
He knew you were in pain.  
He knew that you would never  
Get well on earth again.  
He saw the road was getting rough  
And the hills were hard to climb,  
So, He closed your weary eyelids,  
And whispered "Peace be thine."

It broke our heart to lose you  
But you didn't go alone,  
For part of us went with you,  
The day God called you home.

*"I have fought a good fight, I have finished my course, I have kept the faith." II Timothy 4:7*

### Our Family Chain

We little knew that morning  
That God would call your name.  
In life, we loved you dearly;  
In death, we do the same.  
It broke our hearts to lose you,  
But you did not go alone,  
For part of us went with you  
The day God called you home.  
You left us beautiful memories,  
Your love is still our guide,  
And though we cannot see you,  
You are always by our side.  
Our family chain is broken  
And nothing seems the same,  
But as God calls us one by one,  
The chain will link again

### To Grandma Baby Ray

You left us beautiful memories.  
You love is still our guide,  
and though we cannot see you,  
you're always at our side.

Love, Your Great-Great-Grandchildren
