### Reflections of My Mother

I glanced into the mirror....  
Never dreaming that I'd see...  
A face, one so familiar....  
Yet you were looking back at me.

I saw your loving smile, so warm...  
The crinkle around your eyes...  
I heard your gentle laughter...  
Your often soothing sighs.

In conversations with family and friends,  
I hear your voice in mine...  
I pause and think of years gone by...  
Another place and time.

Your nurtured me and watched me grow...  
Held me when I cried,  
And though I often stumbled...  
You were always by my side.

You shared the love of God with me...  
Taught me how to pray...  
And often when unsure...  
You helped me find the way.

I'm often told I'm just like you...  
A compliment I treasure...  
For within my heart I know we share...  
A love beyond all measure.
