Obituary

A Message for My Sister

Just to let you know that I thank you for being with me until the end. Girl, you will forever stay in my heart. We became closer than anyone would ever know. As sisters, we were very close. I'll think about you everyday and will never forget our trips to California Dreaming on Tuesdays after Chemo. You would always say on a Tuesday, we had some good times, not a one was bad. I love you Sandy Manning. You fought a good fight. You will always be my champ. Kiss everyone for me. God has you now, so rest on my sweet sister until we meet again.

Lost without you, Your Sister Pattie

I promise I'll call your children everyday just to make sure that they are okay. I promise you!!!!
