Acknowledgements

Our family wishes to express our sincere gratitude and deep appreciation for the heartfelt acts of love, prayers, words of encouragement and support during our time of bereavement.

She's in the sun, the wind, the rain,
She's in the air you breathe with every breath you take.
She sings a song of hope and cheer,
There's no more pain, no more fear.
You'll see her in the clouds above,
Hear her whisper words of love,
You'll be together before long,
Until then listen for her song.
She is truly walking in Jerusalem just like John
Singing Oh Holy Night
Because God has washed her whiter than snow
