## A Cherished Mother and Grandmother

**A Cherished Mother and Grandmother  
You are and were, and will forever be  
You loved us throughout a lifetime  
And we'll love you throughout eternity.**

**As children, you were our Mom and our strength  
The force upon which we relied  
You helped us grow through life's laughter and tears  
And you always stood by our side.**

**And our children...They came to adore you!  
For you spoiled them with love and affection  
You treasured each one in such special ways  
There are too many examples to mention.**

**And though they were denied more days and years  
With a Grandmother as wonderful as you  
You've filled their hearts with sweet memories  
That'll remain a whole lifetime through.**

**Dearest Mother and Grandmother, we love you!  
We find we cannot do enough  
To express the depths of our gratitude  
For your sacrifice and your love.**

**But trust that you'll be remembered  
In sweetest memories every day  
For you have blessed our lives forever  
Through your goodness, love and strength!**
