Acknowledgements

The family wishes to express their sincere gratitude to all those who have supported us during this time of loss.

Our time together was special
So were the memories we made.
And although you live in heaven now
Those memories will never fade.

I bow my head in silence and remember my dad with love.

I know that you are up there watching from above.

Every day is a struggle and nothing will ever feel the same.

My heart breaks a little more every time I hear your name.

You'll always be remembered and time may heal my heart,

but a piece of me is missing since the day we had to part.

If heaven is for angels, then I know that is where you will be.

And I know you will be waiting when heaven calls for me.
