Poem

It's gotten harder and harder
Since the day you went away,
But still people keep telling me
Everything shall be okay.
I know deep inside
that it's better up there,
But we're not together
which makes it unfair.
Seems like yesterday
that we were together,
Then I opened my eyes to realize that
"Gone means Forever"
It hurts and aches
it's slicing my heart,
That for the rest of my life
we shall be apart.

I Love You
with all my Heart
Betty
