

‘One Of A Kind’

One of a kind, is what you are. Unique in your own way. To know you was a privilege that we all shared. You would light up the room with your presence. That funny sound you made when you scratched your nose will be what I miss the most. One of a kind is what you are. The way you showed love to your family and friends was unmeasurable. You never met a stranger. Your love for people is what drew them close to you. “Niece” is what you would call me and my reply, “what auntie,” is forever engraved in my heart, because for me, you were truly ONE OF A KIND.

Love always, your niece Rene
