

Our Mother

*Oh how deeply you will be missed
From your toughest demeanor to your gentle kiss
A legacy of love you will leave behind
5 generations of best shared times
You taught us all how to love hard
With all our might
And above all, to keep our family tight
Your strength and dignity will always live
Beyond the time you had to give
Now the time has come for you to rest
The fight is over you've given your best.
So go in peace you've earned your sleep
Your love and memories in our hearts
we'll eternally keep
