

REMEMBER ME

Don't remember me with sadness,
Don't remember me with tears,
Remember all the laughter,
We've shared throughout the years.
Now I am contented,
That my life it was worthwhile,
Knowing that along the way,
I made somebody smile.
When you are walking down the street,
And you've got me on your mind,
I'm walking in your footsteps,
Only half a step behind.
So please don't be unhappy,
Just because I'm out of sight,
Remember that I'm with you,
Each morning, noon and night.

Life Is But A Stopping Place

Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
to sweet eternity.
We all have different journeys.
Different paths along the way,
We all were meant to learn some things,
but never meant to stay...
Our destination is a place,
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the lord
