Poem

Our Grandmother

Our Grandmother (Sue B) has
the wisdom of a teacher,
the sincerity of a true friend.
and the tenderness of a mother,
She's someone we admire, respect,
and loved very much.

Sue B, we can no longer hear your voice,
or see your smile.

We know you still walk beside us,
holding our hands,
leading us down the right path.

Thank you for the endless amount of
love you gave and all the lessons
that we will take and use throughout our lives.

The memories you've made with us
will last forever,
the tenderness you've shared with us
will never fade.

We love you forever and always.

My Journey's Just Begun

Don't think of me as gone away

My journey's just begun

Life holds so many facets

This earth is but one

Just think of me as resting

From the sorrows and the tears

In a place of warmth and comfort

Where there are no days and years

Think of how I must be wishing

That you could know today

How nothing but your sadness

Can really go away

And think of me as living

In the hearts of those I touched

For nothing loved is ever lost

And I know I was loved so much
