(Poem from Wife)

Dear Husband wait for me.. nothing seems the same since you went away, there’s an emptiness in my heart as I live day to day. In remembrance I recall these last 10 years we have shared and all the special memories we built, how our Unconditional love sustained us thru sunshine and even some rain. God says, “weeping may endure for a night but joy comes in the morning” As I know one day, I will see you again. No more tears will dim my eyes, no more pain and sorrow will break my heart for I know in Heaven we will NEVER again have to apart. You ran a great race you changed your life and I am so proud of you! A great Husband, Best friend and Father. You completed your earthly assignment and you’ve made your way home. So, until the day we meet again I’ll go on always carrying the love we shared in my heart. And when this life is over and God sets my spirit free... I know we will be reunited so bae please wait for me.

Your Wife Shenise
“Forever US”
