

*Being a School Bus Driver
has its ups & downs*

*it takes a lot of patience
driving highways & towns.
Some of the passengers
Can really get on your
nerve.*

*A bus load of kids,
Almost sends you off the
curve.*

*But at the end of the day
When you've finished
the run
Just think
"Isn't" this fun"?*

*Take this LUCKY PENNY
Keep it close to you.
May it bring you LOTS OF LUCK
In everything you do!*
