Footprints

One night a man had a dream.
In it he was walking along a beach with the Lord.
Across the sky flashed scenes from his life.
For each scene, he noticed
two sets of footprints in the sand,
one belonging to him, and the other to the Lord.

When the final scene of his life flashed before him,
he looked back at the footprints in the sand.
He noticed many times along the path of his life
there was only one set of footprints,
and realized that they came at the hardest
and saddest times of his life.

Bothered about this, he questioned the Lord saying,
“Lord, you said that once I decided to follow you,
you’d walk with me all the way.
But I have noticed that during the most burdensome
times of my life, there is only one set of footprints.
I don’t understand why when I needed you the most
you would leave me.”

The Lord replied, “My dear child,
I love you and I would never leave you.
During the times of trial and suffering,
when you only see one set of footprints,
it was then that I carried you.”
