## Tributes

*It's hard writing this to my one and only sister. The last time we saw each other is the only thing I can remember. The smile on your face when you saw me, the tight hug we shared, your voice screaming out, "OMG, OMG!"*

*That moment we had was everything.*

*I love you so much, Kira! You're my girl forever.*

*- Shanice "Niecy"*

*Shikira, Shikira, I just want to thank you for being the loving, caring, and beautiful soul that you have always been. No words can express my gratitude for the supportive role you played in my life as well as my kids. Your eternal love for your family, beautiful smile, and goofy laugh will never be forgotten.*

*I've watched you become a great person,  
a wonderful mother, and a warrior.*

*I love you, Kira, a banana boat smoothie on me.*

*- Allen*

*Hey Auntie, LJ here. I really miss you.*

*I hope you're having a great time up  
in heaven. I will take care of Skylar,  
especially when she goes to school.*

*I really miss all the fun we had  
together, and I hope we can have all  
that fun again.*

*Do me one favor tell God, I said Hi.*

*I love you!*

*- Lazarus "LJ"*

*I miss you; you were the best auntie  
ever, and every night I think about  
you. "I love you!" I miss the times  
when we used to play together.*

*- Love, Allen Jr. "Lil Man"*

# Tributes

**TRIBUTES TO OUR DAUGHTER**  
*Bird, words can't express the way I feel about you. I miss you and you will be forever in my heart.*

*I love you always.*

*- Da*

*Kira, you have touched so many hearts, we lost someone very special. We are missing you like crazy. You will always be in our hearts. God allow you to be in our life for 37 years. At 33, you gave us our first granddaughter when the Doctor's said you will never have any kids. God blessed you with Skylar. God knew you weren't going to be here with us. So, you left a part of you with us.*

*We love you always.*

## TRIBUTES TO OUR SISTER & AUNTIE

*Bird, thank you for all the memories that we have shared. I couldn't pick just one memory because all of them are memorable. I thank you for always having my back growing up even though I'm your big brother. I thank you for giving me a beautiful niece whom I would always look after.*

*I love you, little sis, continue to be our guardian angel.*

*We LOVE you and miss you!*

*It hurts to say goodbye to you. I love you forever.*

*Until we meet again... I love you, big sis!*

*- Exzavier*

*D\*mn, big sis, this SH\*T HURT. Got us dressing up in your favorite color and carrying your body through a church. Imma miss you, but I know you are in a better place. Got us thinking about all the good times and*

*looking at Skylar just to see your face. Big sis, I love you, and you know what it is Pooh got us writin' a letter, and I can't hold back my tears. Four eyes, this sh\*t HURT.*

*I love you, Kira.*

*- Zachary "Zack"*

*"Auntie," that's what we called you ever since my cousins and I were younger. I know we used to bother you every day; I remember you tried to hit us, and we would run in the room and hide under the covers. I am thankful and grateful that you were in our life growing up. You babysat my cousin, me, and Lil Man, and all I could say is thank you.*

*I love you, rest peacefully, "auntie."*
