

PRIDE

Who has more pride than a lion with a family?

*Who protects and provides for his family,
no words necessary?*

*Keep it all in because pride is what formed us,
pride is what birthed us into
the Kings and Queens we are.*

*Your guidance is a sign of a sacrifice you took to live
with your favorite star.*

*A King's pride is that of a lion,
who roar's the words "Family"
as his mane shows wisdom,
but also shows grey from knowledge.*

*No matter the situation through the streets of the jungle,
you provided all that needed to be seen.*

So I know who has more pride than a lion.....

My Grandfather.

*Love your Grandson,
LADARIUS WILSON*

"FOOTPRINTS"

One night I dreamed a dream. As I was walking along the beach with my Lord.

Across the dark sky flashed scenes from my life.

For each scene, I noticed two sets of footprints in the sand,

One belonging to me and one to my Lord.

After the last scene of my life flashed before me,

I looked back at the footprints in the sand.

I noticed that at many times along the path of my life,

especially at the very lowest and saddest times,

there was only one set of footprints.

This really troubled me, so I asked the Lord about it.

"Lord, you said once I decided to follow you, You'd walk with me all the way.

*But I noticed that during the saddest and most troublesome times of my life there was
only one set of footprints. I don't understand why, when I needed You the most,*

*You would leave me." He whispered, "My precious child, I love you and will never
leave you Never, ever, during your trials and testings. When you saw only one set of
footprints, It was then that I carried you."*
