

"Sunset"

*Sunsets come and Sunsets Go
Some things in life we'll never know
But one day in the bye and bye
We'll face the Master and then we'll understand why,
A light like yours that burned so bright, now is dimmed
So we'll just say good-night.
Just relax for now and get your rest.
For joy comes in the morning
And that's when you'll be best.
No more pain, nor sorrow and no more tears.
You've toiled and worked for many years
So now lay down your shield and sword
You've fought a good fight, go get your reward.
Take flight Auntie on the wings of a dove
Your course is set for Heaven above
You'll meet our Father face to face
He'll say well done, you've finished the race.
Although we hate to see you go
We know its best, but always know
Your presence and love will be missed.
So it's not good bye , just see you later on.
Cause we'll meet again in your new Heavenly home.*
