

## "I'M FREE"

*Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took His hand when I heard him call  
I turned my back and left it all*

*I could not stay another day  
To laugh, to love, to work or play  
Tasks left undone must stay that way  
I found that place at the close of the day*

*If my parting has left a void  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss  
Ah, yes, these things I too will miss*

*Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full; I've savored much:  
Good friends, good times, a loved one's touch*

*Perhaps my time seemed all too brief  
don't lengthen it now with undue grief  
Lift up your heart and share with me  
God wanted me now  
He set me free!*
