

# *When Tomorrow Starts Without Me*

*When tomorrow starts without me, and I'm not here to see,  
If the sun should rise and find your eyes filled with tears for me.  
I wish so much you wouldn't cry the way you did today,  
While thinking of the many things we didn't get to say.*

*I know how much you love me, as much as I love you,  
And each time that you think of me, I know you'll miss me too.  
But when tomorrow starts without me, please try to understand,  
That an angel came and called my name and took me by the hand.  
And said my place was ready in heaven far above.  
And that I'd have to leave behind all those dearly loved.*

*But as I turned to walk away, a tear fell from my eye,  
For all my life, I'd always thought I didn't want to die.  
I had so much to live for, and so much yet to do.  
It seems almost impossible that I was leaving you.*

*I thought of all the yesterdays, the good ones and the bad,  
I Thought of all the love we shared, and all the fun we had.  
But when I walked through "Heaven's Gates" I felt so much at home,  
When God looked down and smiled at me from His "Great Golden Throne".*

*He said, This is eternity and all I've promised you,  
Today your life on earth is past but here it starts anew.  
I promise no tomorrows, but today will always last,  
And since each day is the same, there's no longing for the past.*

*But you have been so faithful, so trusting and so true,  
Though there were times you did some things you knew you shouldn't do.  
So when tomorrow starts without me, don't think we're far apart,  
For every time you think of me, I'm right here in your heart.*

# I'm Free

Don't grieve for me, for now I'm free  
I'm following the path God laid for me.  
I took His hand when I heard him call  
I turned my back and left it all

If my parting has left a void  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss  
Ah, yes, these things I too will miss

Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full; I've savored much:  
Good friends, good times, a loved one's touch

Perhaps my time seemed all too brief  
don't lengthen it now with undue grief  
Lift up your heart and share with me  
God wanted me now  
He set me free!
