

SOON EVER AFTER

Mrs. Ostine,

It broke our hearts

To lose you but didn't go alone

For a part of our hearts went with you

The day *GOD* called you home

Although we loved you dearly you couldn't stay

A golden heart stopped beating & hard working hands are at rest

But we knew that it was your time because

GOD only takes the Best

I know you will be watching over your family

Every step of the way

But it hurts so bad that we couldn't make you stay

You were here 79 years which is over 3 scores & 10

Within that time you touched many hearts & filled

Many voids and we will cherish every precious moment at the end of the day

January 1st is the day *GOD* prepared for a New Year

But he also took his precious time to prepare a place for you my dear

So today with a heavy heart we celebrate your home going with sadness, tears, joy & laughter knowing that this is not Goodbye but see you

SOON EVER AFTER!!
