

Heaven Needed Mom

*So many things of mom I miss . . .
Her gentle hug and tender kiss.
I still can feel her warm embrace
And picture yet her loving face.
A mothers' tasks are never done.
And Heaven must have needed one.
For angels came and took her hand
And led her to God's promised land.
She's surely kept quite busy there
While brushing little angels' hair.
And making sure they're dressed just right.
Not staying out too late at night.
Although there's sadness, this I know . . .
She's waiting there, her face aglow
I close my eyes and I can see . . .
Her arms still open.
Wide for me.*
