

*Our hearts has been left broken
Since the day you had to go
And the memories we treasure dearly
Are in the tears that still flow*

*You're in our thoughts everyday
And that's how it will always be
For you may be up in Heaven now
But you'll always be with me*

*If only I could have the chance
To see your face once more
Or to hear your voice one final time
Just like it was before*

*The day that heaven calls for me
Will be a relief from all this pain
I'll run to you with open arms
And we will meet again*
