## *Gone But Not Forgotten*

Didn't expect this day to be here  
 When all I can do is shed a tear  
 Memories remain that we all see clear  
 Everybody's story is different, but just know she is near  
 As I take this journey without you, my heart is full of fear  
 Will never hear the positive words you put in my ear  
 I live by that knowledge and my path won't veer  
 Still see you sitting in the rocking chair with your beautiful smile  
 Sometime I felt like I was your child  
 You may be gone, but never forgotten  
 Cause all the people in here you touched their hearts  
 A pure soul in life that was a work of art  
 The foundation of this family was you from the start  
 I love you granny with all my heart  
 Call me Martin Lee again I miss that part.
