

Look For Me in Rainbows

Time for me to go now

I won't say goodbye

Look for me in rainbows

way up in the sky

In the morning sunrise when

all the world is new

Just look for me and love me as you know I loved you

Time for me to leave you I won't say goodbye

Look for me in rainbows high up in the sky

In the evening sunset when all the world is through,

Just look for me and love me

And I'll be close to you

It won't be forever the day will come and then

My loving arms will hold you

When we meet again

Time for us to part now we won't say goodbye

Look for me in rainbows shining in the sky.

Every waking moment and all your whole life through

Just look for me and love me as you know I loved you.

Just wish me to be near you,

And I'll be there with you.
