

Tribute of Love Statement

Sister Robinson was an incredible, beautiful woman both inside and out. She was kind, caring, hilarious, and simply made everyone smile. One always had a good time with her. To have her as a friend, sister, aunt, classmate, co-worker, you felt like one of the luckiest person in the world. Perhaps your time was all too brief; but God wanted you, so He set you free.

In Pastures Green

In pastures green? Not always; sometimes He

Who knoweth best, in kindness leadeth me

In weary ways, where heavy shadows be.

And by still waters? No, not always so;

Often times the heavy tempests round me blow,

And o’er my soul the waves and billows go.

But when the storms beat loudest, and I cry

Aloud for help, the Master standeth by,

And whispers to my soul, “Lo, it is I.”

So where He leads me I can safely go,

And in the blest hereafter I shall know

Why in His wisdom He hath led me so.
