They say there is a reason,
They say that time will heal.
But neither time nor reason,
Will change the way we feel.
For no one knows the heartache
That lies beyond our smiles.
No one knows how many times
We have broken down and cried.
We want to tell you something,
So there won’t be any doubt:
You’re so wonderful to think of,
But so hard to be without.
We cannot bring the days back
When we were all together.
The family chain is broken now
But memories and love will live forever.
