We are awaken to heavy hearts and the rain of tears flowing from our faces but the reflection of your sunshine smile brightens up the place.

We are quickly reminded of your beauty and who you were. We began to laugh because it brings back the memories we will forever cherish.

As we think of you Temporarily we forget about the pain, just for a little while knowing how much you loved us and how much we love you too.

We will remember your silliness, your laughter, your courage, and your cuteness.

You were a mother, a daughter, a sister, and such much more. Knowing you have taken your wings to fly. We will try not to cry.

Reminding ourselves you’re watching over us from heaven missing us too.

We close with Farewell and not good-by because we will meet again.

We say to you. Rest on our beloved. We love you but God loves you best.

Love your family,

Look for Me in Rainbows

Time for me to go now, I won’t say goodbye;
Look for me in rainbows, way up in the sky.
In the morning sunrise when all the world is new,
Just look for me and love me, as you know I loved you.

Time for me to leave you, I won’t say goodbye;
Look for me in rainbows, high up in the sky.
In the evening sunset,
when all the world is through,
Just look for me and love me, and I’ll be close to you.

It won’t be forever, the day will come and then
My loving arms will hold you, when we meet again.

Time for us to part now, we won’t say goodbye;
Look for me in rainbows, shining in the sky.
Every waking moment,
and all your whole life through
Just look for me and love me, as you know I loved you.

Just wish me to be near you,
And I’ll be there with you.
