## Dear Angel of Mine

*Though your visit was only for a short while.*

*The joy, happiness and peace you brought to our lives was worth each smile.*

*Our hearts broke into a million pieces when you left before we could say goodbye.*

*Feeling confused with mixed emotions asking ourselves why?*

*Dear angel of mine*

*We wish to hold and have you near.*

*But we know that God has a purpose for this with every shedded tear.*

*Life does not seem complete anymore since you are gone.*

*Remembering your smile and laugh helps us to carry on.*

*Dear angel of mine*

*We will never forget the fulfilment you brought to our lives that helped us to make it through.*

*Dear angel of mine*

*As we lay you to rest where there is no suffering and pain*

*know that we will forever love you.*
