Time has taken me from you, although, not very far away. I'll be watching through the sunshine and through the brightest star. I'll be watching all of you, from the heavens high up above. So, take care of each other and carry all my love, if you're ever wondering if I'm there here's where you can start. Look inside yourself, deep within your heart. I'll always be your husband, your father, your brother, your uncle, and your best friend. So anytime you need me just close your eyes and I'm back with you again.

REMEMBER ME...

Remember me when you hear the wind. I am the sound of the birds, the whispering in the trees, the gentle silence after a storm, and the warm summer breeze. I am the stars in the night sky, the thoughts in your head that say somethings right. He called my name and I went to see if the voice I heard was speaking to me. He took my hand, we walked along the road to heaven where I belong. The angels sang so sweet and clear. They sang of love and that Jesus is near. I felt his touch, I saw his face, I knew in an instant I was in his grace. He spoke to me, I heard him say, “You are home now my child, you have found your way.” So, remember me when you hear the wind blow, I am home now with God.
