

In Loving Memory

As we mourn our dearly departed
With mixed emotions and broken hearted
We are never prepared to say goodbye
And the ultimate question is always why.

We'll question the wisdom of His ways
And thirst for answers in the coming days.
Somehow, we seek to understand
Why life is forfeited upon demand

An eternal flame will light the way
As we embrace their memory every day.
Ye servants who pass Your earthly test
Grant unto them eternal rest.

Rest in peace is the fervant vow
Of this earth that you leave now.
We offer this prayer oh Lord above
"In Loving Memory" of those we love.
