## FOOTPRINTS

One night I dreamed I was walking  
along the beach with the Lord.  
Many scenes from my life flashed across the sky.  
In each scene I noticed footprints in the sand.  
Sometimes there were two sets of footprints,  
other times there were one set of footprints.  
This bothered me because I noticed  
that during the low periods of my life,  
when I was suffering from  
anguish, sorrow or defeat,  
I could see only one set of footprints.  
So I said to the Lord,  
"You promised me Lord,  
that if I followed you,  
you would walk with me always.  
But I have noticed that during  
the most trying periods of my life  
there have only been one  
set of footprints in the sand.  
Why, when I needed you most,  
you have not been there for me?"  
The Lord replied,  
"The times when you have  
seen only one set of footprints,  
is when I carried you."
