*Today I am thankful for tears
Though an ocean I have cried
They speak of our connection
Reminding me that love has not died*

*Today I am thankful for the memories
They brighten the road of grief
They remind me of love shared
And provide a small relief*

*Today I am thankful for love
Felt strongly in my soul
Love continues living forever
Keeping us together and whole*

*Today I am thankful for friends
Those who didn't walk away
They saw my broken heart
And chose to sit and stay*

*Today I am thankful for time
For the moments that were too few
Through the tears that are shed
Today I am thankful for you.*
