SHE IS THE SUN

*She's in the sun,
the wind, the rain,
she's in the air you
breathe with every
breath you take.*

*She sings a song
of hope and cheer,
there's no more pain,
no more fear.*

*You'll see her in
the clouds above,
hear her whisper
words of love.*

*You'll be together
before long, until then
listen for her song.*
