When Tomorrow Starts Without Me

*When tomorrow starts without me and I'm not there to see.
If the sun should rise and find your eyes
all filed with tears for me.
I wish so much you wouldn't cry the way you did today.
While thinking of the many things we didn't get to say.
I know how much you love me as much as I love you.
And each time that you think of me
I know you'll miss me too.
But when tomorrow starts without me
please try to understand.
That an angel came and called my name
and took me by the hand.
And said my place was ready in heaven far above.
And that I'd have to leave behind all those I dearly love.
But when I walked through heaven's gates
I felt so much at home.
When God looked down and smiled at me from his great
golden throne he said
"This is eternity and all I've promised you".
Today for life on earth is past but here it starts anew.
I promise no tomorrow for today will always last.
And since each day's the same way
there's no longing for the past.
So when tomorrow starts without me
don't think we're far apart.
For ever time you think of me
I'm right here in your heart.*
