You can shed tears that I am no longer here,
Or you can smile because I lived,
You can close your eyes
And pray that I will come back,
Or you can open your eyes
And see all that I have left.
Your heart can be empty
Because you can't physically see me
Or you can be full of the love that we shared,
You can remember me and only that I am gone
Or you can cherish my memory and let it live on,
Or you can do what I would want:
Smile, open your eyes, love, live and go on.
