

"So Go and Run Free"

Author unknown

*So go and run free with the angels
Dance around the golden clouds,
For the Lord has chosen you to be with Him
And we should feel nothing but proud.
Although he has taken you from us
And our pain a lifetime will last,
Your memory will never escape us
But make glad for the time we did have.
Your face will always be hidden
Deep inside our hearts,
Each precious moment you gave us
Shall never, ever depart.
So go and run free with the angels
As they sing so tenderly,
And please be sure to tell them
To take good care of you for me.*
