

Pat Charles "Snake" Mackey

*I wondered how my heart could be so heavy
And at the same time so empty.*

*Then, I realized the cause is the same,
I will never again hear you call my name,
Never again see that winning smile, never again hear that
amazing laugh and that's what feels me with so much pain.
So, yes our hearts are heavy.*

*There are no words for how close we were.
A part of me and a part of us is gone.
That is why our hearts are so empty.*

*We were together our whole lives, inseparable, through thick and
thin. You were my brother and my friend.*

*I hold tight to the fact that we will see you again.
Yes our hearts are filled with pain, but our loss is God's gain.
Now we must lean into the storm and press our way on,
But we will never be alone.*

*We will keep looking for you even though you're gone.
It's so hard to let you go but God knows what we don't know.
You were the leader of the pack,*

*"Family" is what you stood for because you always had our back.
Yes, you are gone but we will never be alone.
We will fill our hearts with our memories
We have nothing but love for you, our brother.*

*PS. Hey Bro, God must have needed another wheeler & dealer,
AKA, The Snake.*

Love your family
