

Clarence and Priscilla were married for 32 years. Like every married couple they weathered the trials and tribulations of life. Clarence was a very smart and intelligent man. He never met a stranger. He had a presence about him that everyone wanted to be around him. As Priscilla grew in her faith so did Clarence. Philippians 4:13, became their source of strength, "I can do all things through Christ which strengtheneth me." As Priscilla faces the days ahead of her, God will continue to be her source of strength. Clarence will be deeply missed, but we know he's in the presence of the Almighty. So this is not a good bye, but a see you later.
