

A Letter from Heaven

*When tomorrow starts without me,
And I'm not here to see,
If the sun should rise and find your eyes,
Filled with tears for me.*

*I wish so much you wouldn't cry,
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
And each time you think of me,
I know you'll miss me too.*

*When tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right there in your heart.*

An Eternal Memory...

... Until We Meet Again

Those special memories of you
Will always bring a smile,
If only I could have you back
For just a little while.
Then we could sit and talk again
Just we used to do,
You always meant so very much
And always will do too.
The fact that you're no longer here,
Will always cause me pain,
But you're forever in my heart,
Until we meet again.
