

*When I Must Leave You*

*When I must leave you for a little while,  
Please do not grieve and shed wild tears  
And hug your sorrow to you through the years,  
But start out bravely with a gallant smile,  
And for my sake and in my name live on  
And do all the things the same.*

*Feed not your loneliness on empty days,  
But fill each waking hour in useful ways,  
Reach out your hand in comfort and in cheer,  
And I in turn will comfort you and hold you near,  
And never, never be afraid to die,  
For I am waiting for you in the sky!*
