

"I've Been Changed"

*Don't remember me by what you see now,
Don't try to figure the answer or wonder how.*

*I've lived my life the best I could
I've tried to help others as I knew I should.*

*As time passed and my body grew weak,
My feelings to myself I tried to keep.*

*Family you've been good to me,
You've made me forget the hard times that used to be.*

*As you look upon my face,
Please try to understand I've finished my race.*

*This is just an old shell of what I used to be,
My soul has taken flight and now I'm free.*

*No more pain or sorrow I shall bear,
I'm going to be with my savior, I know relief is there.*

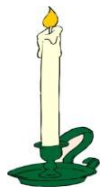

*Day by day the tiredness I couldn't hide
The weakness just won't subside.*

If I told you all not to cry, you wouldn't understand why.

All I ask, family dear, is try to understand,

I'm holding now to my savior's hands.

*I'm glad to him I finally came, no long am I the same, for
"I've been changed."*
