

To My Uncle, May He RIP

*As I sit here and think of what to say
I can't believe I have to do this,
I'm thinking of you every day.
It's still hard to believe
That you left us so soon,
Hearing of deaths all over the news.
Didn't believe it was happening for real
Because I never thought
It would be you I would lose.
Missing you is the hardest thing ever,
I couldn't believe it
When they told me that day.
How could I accept
You aren't with us anymore?*
