Better Days

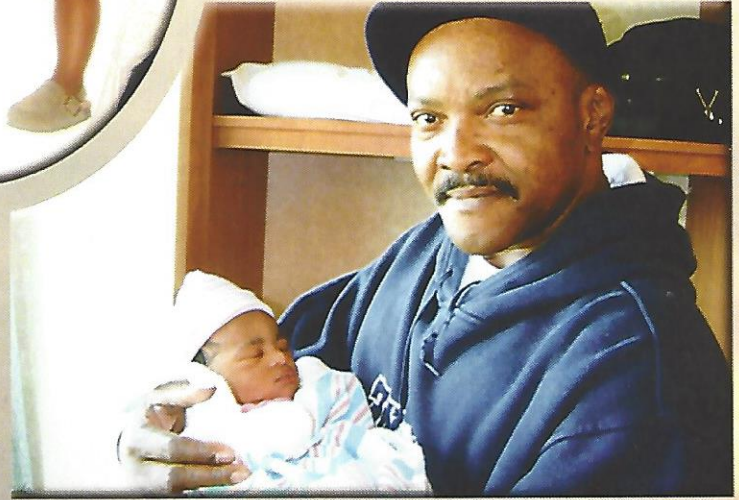

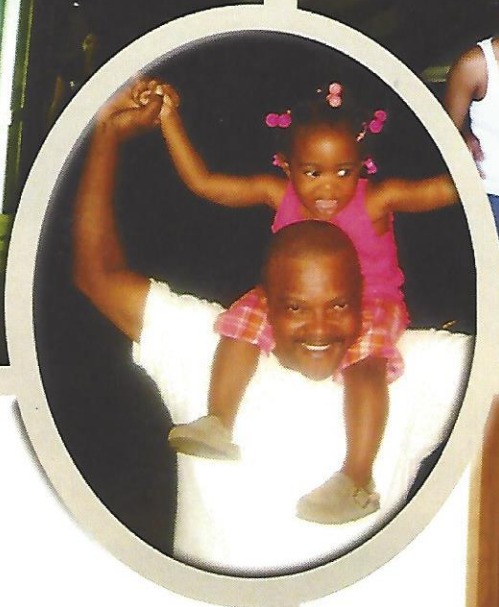

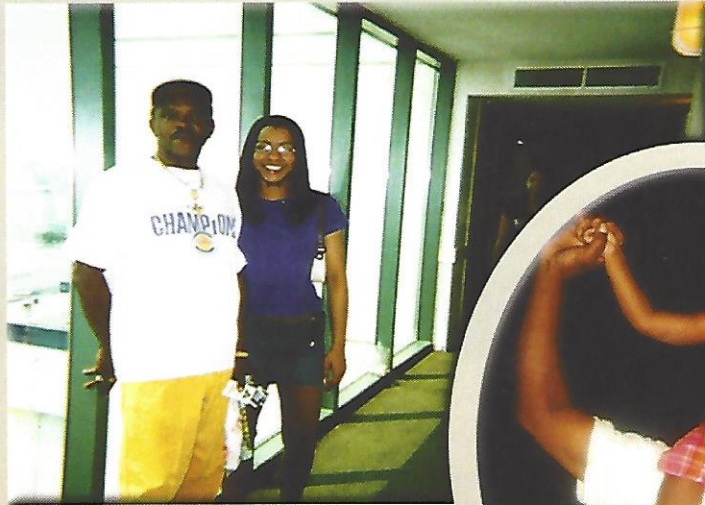

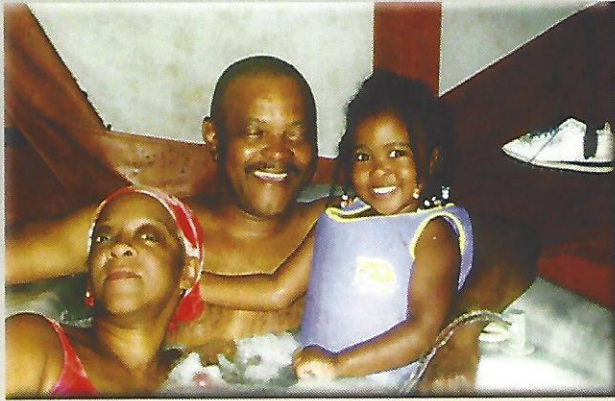

They say life is what you make of it
And you definitely made it very interesting.
You always knew how to make a LOUD entrance
And your exit was just as impactful.

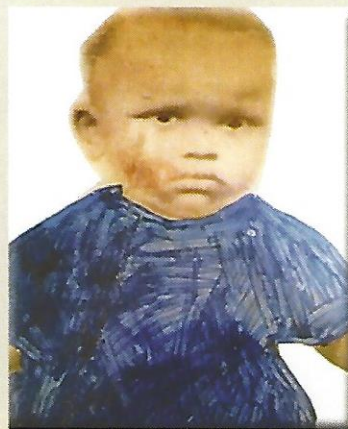

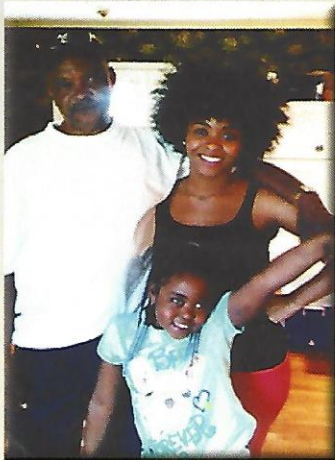

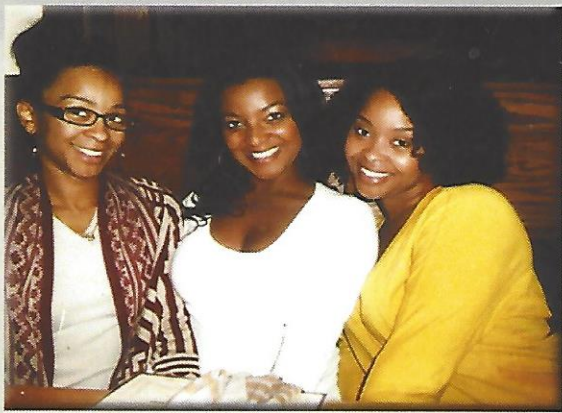

Time waits for no man, but still I thought
We would have some more laughter together.
Oh, how I wish I could hear, "What you doing?"
and "You worried about the wrong thing."

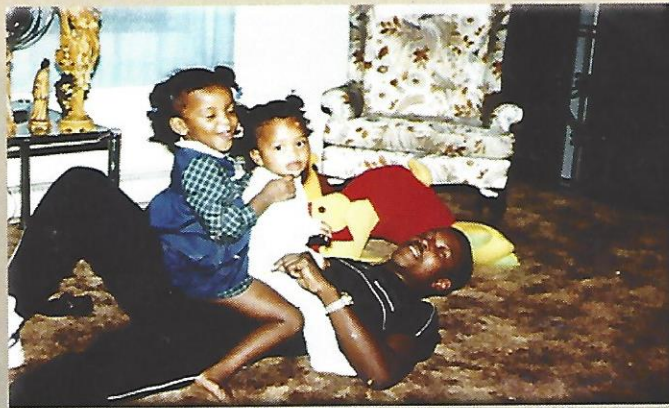

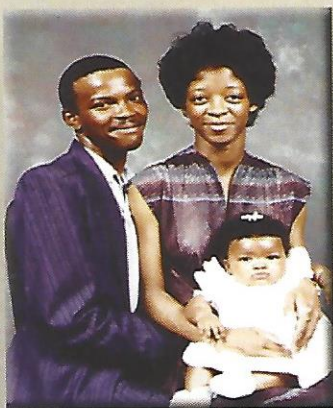

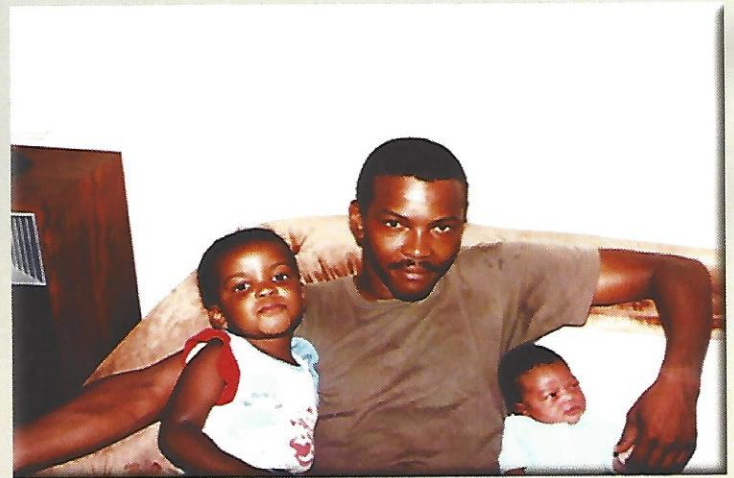

Just one more time.
You finally left behind your white tee
And gained your white gown.
Until we meet again Turkey!!
Life will truly be a lot more quieter.
Please try to use your
Library voice in Heaven.

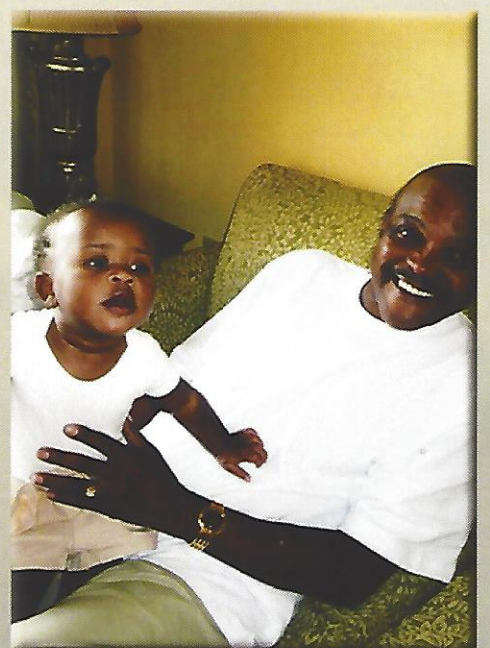

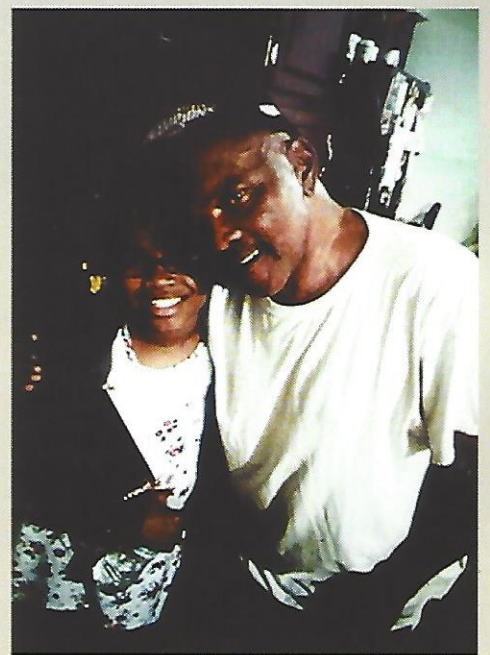

With Love,
Your "favorite" Sheena Marie
