

My Best Friend

Many years of friendship
Thirty one to be exact,
Instant connection,
Now that I have to look back.
Crying now for that you are gone,
A part of me went with you
On your journey home.
Having to wait till we meet again
Is so hard to do because
I won't have my best friend to look too.
Always laughter between us two
Never had to argue nor had a fight
Even though I can no longer hear you speak
I could never forget
The sound of you in my head.
Love you and will always miss you
My BESTFRIEND!!!!
