

There's a special Angel in Heaven

*There's a special Angel in Heaven
That is a part of us.*

*It is not where we wanted her
But where God wanted her to be.*

*She was here but just a moment
Like a night time shooting star
And though she is in Heaven,*

She isn't very far.

*She touched the hearts of many
Like only Angels can so...*

*We would've held her every minute
If we only knew.*

*So we send this special message
To the Heavens up above.*

*Please take care of my Angel
And send her all our love.*
