*God looked out, saw a man with a heart of gold  
And put out his hand and said  
I come to you to give you rest  
Because you are the soul, I love the best.  
You gave love to people and the love you given  
Has shone as a light in the world.  
I was beside you all the time  
And I am pleased so walk with me now to heaven.  
Willie took that walk with God that day  
And he will always stay without pain and hurt  
Just love with God all the way.*
