

On November 29th, we got a phone call that left our whole family numb, cold and heart broken. We knew this wasn't your home, you was just passing through. We lost a mother, sister, aunt, daughter, cousin and friend. You were the life of any party. But you did it cousin. You ran a good race. We just want you to know you are in a better place. You are in your mother's arms and she is holding you tight. Just make sure you are watching over us day and night. Goodbye baby take your rest.

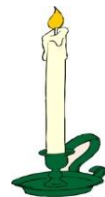

*Love your cousin,
Nicole and the Family*
