

I Am With You Always!

*To those I love and those who love me
When I am gone, release me, let me go.*

*I have so many things to see and do.
You mustn't tie yourself to me with tears,
Be happy that we had so many years.*

*I gave you my love, you can only guess,
How much you've given me in happiness.
I thank you for the love you each have shown,
But now it's time I traveled alone.*

*So grieve a while for me, if grieve you must,
Then let your grief be comforted by trust.
It's only for a while that we must part,
So bless the memories within your heart.*

*I won't be far away, for life goes on.
So if you need me, call and I will come.
Though you can't see, or touch me, I'll be near,
And if you listen with your heart, you'll hear,
All my love around you soft and clear.
And then, when you must come this way alone,
I'll greet you with a smile and say, "Welcome Home."*
