

## Angels

There are angels God put on this earth  
 Who cares for us and guides us.  
 You can feel their love and gentleness  
 As they walk through life beside us.  
 They do great things for us every day,  
 They whisper in our ears,  
 They even hold us in their hearts,  
 When we are filled with our fears.  
 They are always there to give a hug,  
 And try to make us smile,  
 They treat us with respect and love,  
 They treat us like their child.  
 God blessed us with an angel,  
 I'm proud to call my own,  
 She's been with us as we've grown.  
 She guided us the best she could,  
 She taught us like no other could,  
 We are thankful and the lucky ones  
 Who gets to call her...  
 Mother/Grandmother

To our Mother/Grandmother  
 Love you forever and ever!  
 You are our Angel!
